

FISCAL NOTE

SB 319 - HB 1609

February 17, 2001

SUMMARY OF BILL: Requires hospitals and ambulatory surgical treatment centers to investigate and report unusual incidents resulting in death or serious injury to the Department of Health.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Estimate assumes that hospitals are currently investigating unusual incidents and any increase in expenditures to the Department for receiving such reports would not be significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
